1. Aims

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to ensure pupils have the support in place to attend school

We will also promote and support punctuality in attending school.

2. Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

3. Roles and responsibilities

3.1 The governing board

The governing board is responsible for:

- Promoting the importance of school attendance across the school's policies and ethos
- Making sure school leaders fulfil expectations and statutory duties
- Regularly reviewing and challenging attendance data
- Monitoring attendance figures for the whole school
- Making sure staff receive adequate training on attendance
- Holding the headteacher to account for the implementation of this policy

3.2 The headteacher

The headteacher is the designated senior leader responsible for attendance. They will ensure:

- Implementation of this policy at the school level

- Monitoring school level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Leading and monitoring the impact of any implemented attendance strategies including communication with families about attendance, specific strategies to address areas of poor attendance identified through data and targeted interventions to support pupils and families
- Working effectively with education welfare officers to tackle persistent absence

The headteacher can be contacted via the school office on 0118 9713362 and/or enquiries@aldermaston.w-berks.sch.uk.

3.3 Class teachers

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office using the SIMS system or a paper register. The information should be available to the school office staff as soon as possible after each session closes.

3.4 School office staff

School office staff will:

- Take calls or receive e mails from parents about absence on a day-to-day basis and record it on the school system
- Use the attendance information submitted by class teachers to identify any unexpected absences without reasons provided and will follow up on these to find out why a child is not in school
- Alert the senior leadership team to any safeguarding concerns resulting from absence management processes

3.5 Parents/carers

Parents/carers are expected to:

- Make sure their child attends school every day on time.
- Call the school to report their child's absence as soon as possible and before 9.30am on the day of any absence and advise when they are expected to return.
- Provide the school with more than one emergency contact number for their child.
- Ensure that, where possible, appointments for their child are made outside of the school day.
- When requested, provide evidence of reasons provided for an absence.

3.6 Pupils

Pupils are expected to:

- Attend school every day on time

4. Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- For pupils of compulsory school age whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.55am on each school day.

The register for the first session will be taken at 8.55am and will be kept open until 9.05am.

The register for the second session will be taken at 1.00pm for EYFS and KS1 and will be kept open until 1.10pm.

The register for the second session will be taken at 1.15pm for KS2 and will be kept open until 1.25pm.

4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9.30am or as soon as practically possible by calling the school office on 0118 9713362 or sending an e-mail to enquiries@aldermaston.w-berks.sch.uk. You can also notify us of an absence through our school website contact form (<https://aldermaston.w-berks.sch.uk/contact>).

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

For prolonged absences, absences for children with a record of persistent absence or if the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If parents/carers are unable to provide evidence or the school is not satisfied about the authenticity of the illness, the absence may be recorded as unauthorised.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment. However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. The school will use all emergency contacts numbers in order to establish that the pupil is safe
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

4.6 Reporting to parents/carers

The school will write to parents and carers to inform them of concerns about their child's attendance and absence levels.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. Any request should be submitted as soon as it is anticipated and, where possible, at least four weeks before the absence,

and in accordance with any leave of absence request form, accessible via or school website or on request from the school office. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil’s parents belong. If necessary, the school will seek advice from the parents’ religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

6. Strategies for promoting attendance

The school works with parents and carers to ensure good attendance for each child. Where barriers to attendance are identified, the school will implement or signpost support as appropriate.

The school recognises that individual children at primary school cannot be held accountable for low attendance or sanctioned for things which are outside their control.

7. Attendance monitoring

7.1 Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE’s school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

7.2 Analysing and using attendance data

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Write to parents to inform them if their child's attendance data is a cause for concern and identify if they fall into the persistent or severe absence categories. Children in these categories will have their attendance monitored
- Hold regular meetings with the parents of pupils who the school and/or local authority considers to be vulnerable and/or are severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance where appropriate

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum every two years by the headteacher.
